

Free wedding ceremony

accompanied by Florian Benjamin Struber

Dear bridal couple, I am delighted to be able to accompany you on your very special day. If you wish, I can offer you the following support so that your celebration of love is also a celebration of lightness and your wedding ceremony will be something very special, which you and your dear guests will hold close to your hearts forever. Wishing you a wonderful start in your married life!

- A wedding ceremony especially arranged for you. Together, we design your dream ceremony according to your wishes and ideas.
- The wedding ceremony can be classical or maybe you would like to have shamanic elements or old customs which we can incorporate – we will create your ceremony together so that you can say YES full of joy and happiness.
- There are many options for how your wedding ceremony can look. Hearts definitely beat faster, for example, when reading your love story together, children are involved with flowers, music is played, the rings are handed through the rows of your loved ones before you place them on each other's ring finger and take your marriage vows – just to name a few of the ways in which your wedding ceremony can become something very special
- Support for you on the day before the wedding at the Goldener Berg, including a short briefing of how the ceremony will unfold
- 2-3 appointments (via Skype or on site) to discuss how you want to arrange your free wedding ceremony, starting 3 months before your wedding.
- Support during your big, festive day in the tradition of the procurator
- The ceremony, the heart of the wedding celebration, takes about 45-60 minutes
- Organisation before and after the wedding ceremony - inviting wedding guests to sit down and setting the scene
- Feelings and emotions on this day will be running high so it is important that you can rely on a framework

Your wedding at the Goldener Berg will be unforgettable. My fee for accompanying your wedding ceremony is 880 euros.

I am gladly available at all times for a consultation and to answer any questions you may have. You can reach me by phone under 004366499494040 or by email at florianstruber@yahoo.com

To your happiness and a beautiful marriage!
Yours, Florian Benjamin Struber
